Case [REDACTED]

1. Attached is a memorandum from OSI relating to their attempts to recover the analysis of the tape. Also attached is a memorandum to the DCI and a suggested letter for him to send to Mr. [REDACTED] Davidson. We have learned that this suggested form was acceptable and is being utilized.

2. Will you please advise Air Forces of the action taken and ask them to follow through. It might be well to have a copy of the letter which they send to Davidson for our files.
